

# healthy kids **S U R V E Y**

Did you know...

**WestEd offers individual services and resources to your district/school to help you with your California Healthy Kids Survey's Resilience & Youth Development Module (RYDM)?**

***This can include the following:***

- *Resiliency 101 Workshop: Customized training in resiliency research and strategies*
- *Data Use Workshop on how to read, interpret and use your RYDM data*
- *Technical assistance and support in using the RYDM as part of your district/school-wide planning process*
- *Further support in conducting student focus groups*
- *Resource Package: Bibliographies including books, videos, articles, websites, presenters, curriculum, children's/youth literature, etc.*
- *Marketing briefs to targeted audiences: School Administrators, Teachers, Parents, Students, School Board Members, School District and County Office of Education Prevention Coordinators, Community Members, Curriculum Coordinators*
- *Ongoing coaching to districts and schools*

**This service can be uniquely designed to meet YOUR needs in your district-West Ed can provide consultants to come to you on a fee for service basis!**

**Please contact us to arrange for further localized training or technical assistance/support at:  
(510) 302-4208, or [email: bbenard@wested.org](mailto:bbenard@wested.org)**
